Dear Parents,

Greeting from DAV S.C.B. MPS Parivar!

We express a happy note for your **unconditional & whole-hearted support and cooperation** which helped us to stand against all odds and reach new milestones in achieving success in both Academic and Curricular fields.

All the stakeholders- students, parents and staff of the school continue to contribute their best in all fields in helping the school grow to its new height. **The DAV fraternity thanks all** those who are associated with the school directly/indirectly in mitigating the crisis and helping the school to create its special identity in the millennium city.

It is our pleasure to inform all concerned that the students have adapted to the new curriculum (NCERT) and showed their talent in two years' time through **School QPI (Marks average)**. The students continue to enjoy their classes in two DAV schools for more than one year now.

In view of final stage of construction activities of the school building and other infra-works in the premises, the students need to continue attending classes in the **two DAV Public Schools** of the city as usual, with the arrangements made earlier, till further information.

Hope, the parents/guardians along with our students will cooperate in this transition period to withstand all obstacles.

Thank you

Sincerely yours

PRINCIPAL
