DAV SCB MEDICAL PUBLIC SCHOOL, CUTTACK

Empowering Excellence: Academic Initiatives for Session 2026–27

At DAV S.C.B. Medical Public School, we remain committed to providing a future-ready education that nurtures academic excellence, critical thinking, values, and life skills. For the Academic Session 2026–27, we are introducing several innovative initiatives to enrich the learning experience of our students.

Key Academic Highlights

1. **Advanced Learning Programme for Class IX**

• Specialized Advanced Mathematics and Advanced Science classes conducted beyond school hours to strengthen conceptual understanding, enhance problem-solving skills, and prepare students for higher academic challenges and competitive examinations.

2. **Olympiad Preparation Classes for Classes VI & VII**

- Structured coaching and practice sessions to enhance problem-solving and analytical skills.

3. **Introduction of Artificial Intelligence (AI) for Classes VI–VIII**

- Early exposure to emerging technologies and AI concepts to prepare students for the future.

4. **Introduction of Mental Ability & Reasoning for Classes VI–VIII**

- Focus on logical reasoning, analytical thinking, and aptitude development.

5. **Introduction of Kaushal Bodh for Classes VI–VIII**

- Skill-based learning to promote creativity, innovation, communication and practical life competencies.

6. **Three-Language Learning Framework**

- Implementation of the three-language approach for Classes VI, IX and X in alignment with NEP recommendations.

7. **MCQ-Based Assessment for Classes VIII–XII**

- Objective-type assessments will be conducted on every second and fourth Saturday to strengthen conceptual understanding and prepare students for competitive examinations.

8. **Zero Tolerance Towards Non-Submission of Homework and Classwork**

- Regular monitoring to ensure academic discipline, consistency and accountability among students.

9. **100% Attendance Recognition Programme**

- Students achieving 100% attendance will be felicitated and recognized for their commitment and regularity.

10. **Public Speaking Programme for Classes III–VII**

- Regular public speaking activities to enhance communication skills, confidence, stage presence and leadership qualities among students.

11. Student-Led Recapitulation Sessions for Classes V–XII

- Students will actively participate in classroom recapitulation and concept revision, fostering deeper understanding, retention, confidence and peer learning.

Our Commitment

Through these initiatives, DAV SCB Medical Public School aims to foster academic excellence, strengthen foundational skills, encourage competitive spirit, and prepare students to meet the challenges of the 21st century with confidence and competence.

Together, let us build a culture of learning, discipline, innovation, and excellence.
