DAV MOVEMENT IN INDIA

DAV is the dream of Dayanand Saraswati who made a pioneering effort and brought a revolutionary change in the field of education on the ideals of Vedic Culture.

In 1886, the great Arya Samaj founded Dayanand Anglo Vedic School at Lahore (Now in Pakistan).

DAV MOVEMENT IN ODISHA

In the year 1968, Dr. A.N.Khosla, the then Governor of Odisha, geared up the effort to introduce DAV Movement in Odisha. He had been a driving force behind this noble endeavour and spread the spectrum of technical education in our state by strengthening the trust that people built on him in designing the best platform for an innovative education programme.

PRINCIPAL'S MESSAGE

DAV S.C.B. Medical Public School, Cuttack has been a platform for all aspiring students to have a holistic growth and learning in and thereby created its own identity in the realm of education in an innovative environment.

Our experienced faculty members contribute their expertise in a constructive way towards enhancing the academic and competitive growth of our children.

We welcome all the avid learners to be a part of DAV S.C.B. MPS that offers a congenial home of learning and opens up opportunities for their better future.

On the occasion of Golden Jubilee Celebrations of the school, I extend my best wishes to all the students who have thought of constructing a strong edifice of their foundation here, and aspiring to bring glory to their alma mater.

School is a temple of Nation building, therefore here we render selfless service to all the students for their overall improvement of mind, body, character and career besides textbook learning. The student of my school shall grow into a responsible citizen of the World.

I welcome everybody to experience the best in our school and cherish its unforgettable memory that will leave an indelible imprint in the minds of today's learners.

VISION AND MISSION

OUR VISION

Our vision is to foster the future citizen of India and the World into upright and dedicated citizen with compassion and care for all.

Our vision is to empower all children with knowledge, skills and concern for themselves as well as for the sustainable development of the nation and the society at large.

We shall inspire our children to lead the humanity with scientific temper and social responsibility.

We pledge to uphold the ethos enshrined in our constitution and culture enabling our children to make a difference to the world when they grow up.

OUR MISSION

DAV SCB MPS endeavours to cherish its mission through:

A well-balanced approach to impart holistic education.

Ingenious and innovative scholastic and co-scholastic activities.
