

## FROM PRINCIPAL'S DESK

**Respected Parents,**

**Warm Greetings!**

At the outset, I hope that you all are hale & hearty with the divine grace of the Almighty. I am indeed overwhelmed to convey my regards and gratitude to you all on behalf of **DAV S.C.B. Parivaar**, acknowledging your unconditional support and cooperation to our institution, especially during the days of the remarkable transition we have gone through.

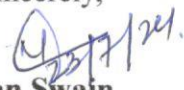

Our *Alma Mater* has combated numerous challenges due to demolition of our previous building and its rehabilitation at an absolutely new campus at OMP Square, subsequent to the mandate of the Govt. of Odisha. We have managed to overcome almost all the hurdles and got established at our new campus with rejuvenated spirit and vigour. Our school has been upgraded to the status of a **Senior Secondary School** and in the present scenario, we are all set to flourish as one of the leading Institutions of DAV Organisation in Odisha and across the nation. I salute to all those who stood behind us in our bad times. Our institution has overshadowed all these impediments only because of your commendable support, love and belongingness.

During the tenure of mine as the Principal I/C, you have showcased your laudable gesture by standing with us, enabling us to tide over the crises. You have been the most adorable stakeholders of the institution with your magnanimous bonding with the school administration, even during the harshest period. Now, consequent upon the orders of our patron, **DAV CMC, New Delhi**, I have joined as **the Principal of the school** with a challenging assignment of taking the alma mater to make No. 1 DAV in all respect with the collaborative endeavours of the staff, students and the parents. I assure you that no stone will be left unturned in order to achieve holistic excellence of our students.

In this regard, I solicit your sublime reinforcement, judicious involvement and filial concern to lead your institution to the pinnacle of success because we have '**miles to go**' to prove our mettle as frontrunners. I once again extend my deepest gratitude and thanks to you all.

*'If everyone is moving forward together, then success takes care of itself.'*

With regards  
Yours sincerely,

  
**Niranjana Swain**  
**Principal**
